

## Lover's Chamber

**Diva Destruction**

Where is he sleeping, my lover's  
chamber  
My heart's in keeping, in a world lost  
Far from me, far away, from me  
I heard you call me, my love, where are  
you  
I heard you call me, my darling, I'll  
find you  
Dancing in circles, spinning 'round  
mazes  
I'm searching for you, in a world lost  
Far from me, far away, from me
