Divine

Bonheurs enfantins
Trop vite oubliés, effacés
Une lumière dorée brille sans fin tout au bout du chemin
Trop vite oubliés, effacés
Une lumière dorée brille sans
Sens au cœur de la nuit
L'onde d'espoir

Jwala jwala jwala chhote laya main game mein
Dollar Dollar Dollar chhote laya main game mein
Bada naam naam banaya main game mein
Liya nahi chayan tab toh
Heera yeh chain mein

Likhta tha gully mein
Ab main likhta hoon plane mein
Asal zindagi hai meri chhote no entertainment
Itihaas likh diya
Tujhe classics diya
5X Plat
Gully waale ne diya
Peeche se aake phir saamne se diya
Sachin ka bat Bambai ka maine naam rakh diya
Jab studio mein locked tab sab khol diya
Agar 2 maine liye toh 10 maine diya
Usne 10 mujhse lekar dhass mujhe diya
Roll karke pehle sabko kash maine diya
Badalon ke upar maine game rakh diya
Quality gaano se make it rain kar diya
Bas bas ho gaya abhi sirf parivaar mera
Pehle shani tha ab har din shanivaar mera
Dentist se zyaada game mujhe daant de raha
Vaccine yeh bars aur main sabko shot dera
Mujhe game saath dera jaise liya maine saat phera
Sirf main jaanta hu Punya Paap mera
Dimag ko rakhte doosra aur khwaab pehla
Qalam se bar fest Pentecost mera
Agar maloom tu jeeta chal haath upar kar
Dil se salaam mere saath they agar
Gehra paani bolke mere saath they magar
Bhagwaan mujhe bola divine paani pe chal
Yeezus wale mode mein
Nas wale mode mein
Khoon se behtar koi nahi shaks wale mode mein
Gandagi hai tu aur mein flush wale mode mein
Seekha sab road pe aur mein 100-100 tha board mein

Sab kuch zor mein
DIVINE apne zone mein
Gully Gully Gang
Aur ghar mera Bombay
Bache bache karte rap har kone mein
Sapne hote sach tab maza aata sone mein
Classic har baar
Har shabad mere Sholay mein
Chhaati inki nahi hai isliye bar bar yeh bolenge
Hum kholenge jaise kho kho ka game

Tu bahar dikhta accha sirf promo ka game
Rakta chaar mere saath jaise 2-2 ka game
Tu aur tere homie chhote tum dono ka game
Chhutta paisa rakh ke dekh laya na change
Rakh tera fame
Main banda nahi same
Kaptani innings yeh Kohli wala shot
Ghar ke bahar tere paunche yeh rangoli wala shot
Konkani Karnatak
Koli waala shot
Khade hokar jala diye Modi wala shot
16 se hai khauf aur 16 se hoon hot
Khatarnaak coats jaise tailor mera baap

Bonheurs enfantins
Trop vite oubliés, effacés
Une lumière dorée brille sans fin tout au bout du chemin
Trop vite oubliés, effacés
Une lumière dorée brille sans
Sens au cœur de la nuit
L'onde d'espoir

Edit karke tune image mera meme banadiya
Mehnat karke tere bhai ne poora dream bana diya
Picture ya sadkon pe scene bana diya
Khudka time laya maine sabse bada gaana diya
Shikshak se pehle thugs dekha
Tiffin box se pehle maine drugs dekha
29 saal ka main par lagta maine sab dekha
Rishton mein pyaar se zyada shak dekha
Shauharat ke liye zyada mehnat thora luck dekha
Circle rakta tight aur main circle jitna F*** deta
Nasha apan karte isliye nashe mein na rakh deta
Na na zindagi tamasha hai
Views toh 69 ko bhi aata hai
Apna missionary shot sab kuch samne se jata hai
Bank mera ghar ka khudka mera khaata hai
License pe hai album kyunki maths mujhe aata hai
Dollar jab involved tab cents samajh aata hai
Jab bills aur passion dono saath me nahi jaata hai
Jo passion na de paise woh passion nahi sikhata hai?
Independent main nahi sirf entertainment mein
Independent mein hu har street ke pavement pe
Inke baap ke payment se aaya lame men ke saath
Nazrein to milana kabhi real men ke saath
Main karte rahoonga grind jab tak 6 men de haath
Sab kuch apan risk karte
Tootata tara dikhe, toh abhi bhi hum wish karte
Gyaan liya naani se haan, abhi bhi ham miss karte
Aasman ko dekh kar abhi bhi hum kiss karte
(Haan)

Qalam mera Hindu Muslim ko milata hai
Hindi mein verse mera Punjab ko hilaata hai
Par se leke sar tak
Sar se leke pair tak
Sab kuch proper hai
Album mode mein
Stunnah mere saath
Bambai shahar 2020
Nani yaad aa jayegi
