Baazigar

Divine

Ohh mera dil tha akela
Tune khel aisa khela
Teri yaad me jaagun raat bhar
Baazigar o baazigar

Haan main baazigar (Baazigar)
Sabse alag, sabse asli, different calibre (Haa)
Humse masti, seedha puppy tere aansun par (Haa)
Hum game rakhte mutthi me haan jaadugar, jaadugar
Aaye baazigar, baazigar

Haan main baazigar (Baazigar)
Sabse alag, sabse asli, different calibre (Bham, bham, bham)
Humse masti, seedha puppy tere aansun par (Haa)
Hum game rakhte mutthi me haan jaadugar, jaadugar
Aaye baazigar, baazigar (Haa)

Aa teesra hai album (Teesra)
Teesri baar champion, legacy bankon
Hoodluck ni fashion
Saanwle hai dost wo bechte hai talcum
Aa kitchen me ration, kalam me passion
Auto phir cash on
Shawty hai shakal se preeti
Par uski body kardashian (Haa)
Haan ladke sab rehte wassup me
So bold khulte hai club me
Gale ko rakhte barf me
Thug mere bajta hai rag me
Puri life ghase hum aaye ni luck se
Bhai tera mast hai, sab jabardast hai
Happy na mast hai, boht kiye kasht hai
Khud dhundhe raste
Haatho ke malne se milta ni rabb se kuch (Haa)
Pehli baar ghase the, tab se kush
Push tu start main pehle
Gaadi ko karte the push
Ye asal me shook, hum de denge dukh

Haan main baazigar (Baazigar)
Sabse alag, sabse asli, different calibre (Haa)
Humse masti, seedha puppy tere aansun par (Haa)

Ayy, fuck these hoes and don't speak about it
Wingspan white, don't reach around him
Main man died, shit cut me close but can't up a post, we got beef around it
I got Gs surrounded, the beast around it
If they ice a nigga, build a rink around it
Made a pop from Chennai to Nashik about it

Even got LeBron James tryna keep it stylish
On deuce, that's my click
I'm a dawg, that's my bitch
Close your eyes, that's just my wrist
Pulled my sleeve down, shit don't fit
Ain't no different than calzones
Still pull up in shell toes, still talkin' on jail phones
My people was moving the rock 'til they smelled and then they giving them el bows
I don't question what somebody think of me
I been riding dirty, got a priest with me
Still crack the seal like it's communion crackers
And they flip the bottle 'til it's easter pink
See how I made it, a lot of money, now I eat for free
Fifty commas on my collar but I keep a receipts
I got so much jewelry in the DMV
Any piece they inked, that's gold linked to me

Haan main baazigar (Baazigar)
Sabse alag, sabse asli, different calibre (Haa)
Humse masti, seedha puppy tere aansun par (Haa)
Hum game rakhte mutthi me haan jaadugar, jaadugar
