Ain't no time to act cute
Mafia pull up in black suits
We ain't flashing guns
This gat shoot my exact mood
Money got us arrogant, down on one knee
I met the streets and then I married it
The evidence? We bury it
Saved a bunch of my niggas, they looked at me like Harriot
Broke it, so embarrassing, I cleared it up like clarity
Broad daylight, shots fired, they all saw it
I'm top floor, penthouse, watching Law & Order
Call the coroner while I'm jet skiing in Florida
\$600 from a Corsica, I know you love it, you not affording her
No visa, they ain't deported her
Had on my camera, I recorded her
Is you gon' floor us? I'll spin ya block in a two-door Porsche
Head to toe, I'm in Hugo Boss
You never move no soft, move no hard, spit no yard
Sell a lot so I repent, on God, like, how you get so far? (East side)
