

The Unforgiven

Divine

What I have felt
What I have known
Never shined through in what
I have shown

Never be, never see

New blood joins the earth
And quickly he's subdued
Through constant pained disgrace
The young boy learns their rules

With time the child draws in
This whipping boy done wrong
Deprived of all his thoughts
The young man struggles on add on, he's known

Ooh, a vow unto his own
That never from this day
His will they'll take away

Haan mere kalam ke lakeer
Likh diya maine khud se taqdeer
Dil se ameer jalan se faqeer
Rap ka kabir hip-hop meri heer

Aankho se hum chiil
Aajma ke dekh mujhe dhund raha aasma me dekh
Raaste pe dekh haath aage faasle toh dekh
Banna mai saal aankh mere dekh saath mere dekh

Junoon mere rag rag me basta hai
Baarish jaise behte tab toh
Baadal bhi garazta hai
Jo Tere liye jwala chhote mere liye maska hai

What I have felt
What I have known
Never shined through in what
I have shown

Never be, never see
Won't see what might have been
What I have felt
What I have known

Never shined through in what
I have shown
Never free, never me
So I dub thee unforgiven

They dedicate their lives
To running all of his
He tries to please them all
This bitter man he is

Throughout his life the same

He's battled constantly
This fight he can not win
A tired man they see no longer cares

The old man then prepares
To die regretfully
That old man here is me

What I have felt
What I have known
Never shined through in what
I have shown

Never be, never see
Won't see what might have been
What I have felt
What I have known

Never shined through in what
I have shown
Never free, never me
So I dub thee unforgiven
