

## Walking Miracle

Divine

I could take the sun and I could swallow it whole  
Turn my body inside out of you'd be facing gold but  
You don't believe me  
When I say  
I could take a cup of water turn it into a sea  
I'm a fucking walking miracle that's why they believe it  
So when you greet me  
You've been addressed by A KING

Pehle se yeh likha tha  
Haath me mere mic jab se chipka tha  
Nas mera bhai door ka woh rishtedaar  
Maa meri Church mein  
Sab mast hai haan Bismillah  
Mann rakhte saaf  
Saaf kapde mein hoon Narsimha  
Aasman ki aor jab bhi boloon ghar chala  
Apne paiso se ghar chala  
Balballa  
Ganga par dhanda yeh flow  
Chal tu sar se nahan  
Barse na barsega  
Namaste hum raste pe jachte na  
Hasne ka  
Soche mazak sapno ko apno ne  
Hasi mazak mein thode dil saare apno ne  
Rishtey kharab vishwas nahi kasma mein  
Samandar paar khara abhi bhi mein chappalon main  
Ujala surya ko bech daale waisa hustle hoon mein  
Sleep is the cousin of death  
Aur mein sapno mein  
Karta vaada jeena raja  
Jab tak nahi daffan hoon main

I could take the sun and I could swallow it whole  
Turn my body inside out of you'd be facing gold but  
You don't believe me  
When I say  
I could take a cup of water turn it into a sea  
I'm a fucking walking miracle that's why they believe it  
So when you greet me

Take care of your temple  
We only here temporarily  
Heavy on the king treatment  
Constant, steadily  
Feeling like the 80's, 20-20 residuals  
Brother we chosen  
It was written  
Whoever think that it's not  
Don't believe it's supposed to be  
They like imagination, so ultimately  
They fall to their knees  
But this is prophecy  
The real do real things, that is the policy  
Nas, DIVINE, NY to Mumbai

Say a prayer, through your ears, open your eyes  
Caught y'all slipping, he put together a pity party army  
He acting like the whole world against him, I'm a victim  
I write a letter to life, dear life  
Please let these little kids be right  
And to the Vatican, I'm asking them  
Play the song real loud until the sky start cracking in

Matlab Shah Jahan ka talwar Tipu Sultan ka  
Yuvraj bayein haath se, maar nahi khana waar ka  
Kuddrat hai mera dost aur main mausam ko bigadta  
Dhua basa hai fefdon mein saansein mere pahad ka  
Hum ladte tu laadka  
Teri fatti thi isliye faadta  
Mehfil jo bhi baithe sabko sar mein bhukaar sa  
Kalam se mein Kalaam sa  
Tu manzil tak na pohche  
Tu bhagta Inzamam sa  
Bacchon pe Willy Wonka mein  
Hum pahad gira dete aur ghar hai tera kaach ka be  
Ye rap khel mere ungliyon pe nachta be  
Mein aur Nas mil gaye yeh tho Vaastav hai  
Gully Gang khuchchal dale, ya toh raasta de

Labour day jab bhi mic pe hum thookte  
Mazdoor wale pair bas bolne pe nahi rukte  
Vash mein jo lele phir wo hum se na choothe  
Jaadugar hai jaadu kare flow mera tujhpe

I could take the sun and I could swallow it whole  
Turn my body inside out of you'd be facing gold but  
You don't believe me  
When I say  
I could take a cup of water turn it into a sea  
I'm a fucking walking miracle that's why they believe it
