

## New Beginning

Divinefire

Afraid to live  
Afraid to die  
Seize the moment  
You're alive

Let the music take you far away

Time to live  
Enjoy your life  
Hear the music from above  
It's a new beginning  
Time to live  
Seize the day  
See the future with new eyes  
It's a new beginning

We're here to rock  
Show you the force  
Seize the moment  
You're alive

Rise my child  
Don't give up  
Rise my child  
Don't give up  
Rise my child  
Time to live  
The time is yours

You hear the music and you'll remember  
Only you can change your life  
Only you
