

# The Spirit

Divinefire

Thoughts spin around in my head  
I hear the voices, I'm out of control  
Confusion, I can't hear the voice  
I'm trapped inside my cage, I can't see the light

("Forget your inner voice  
There's no one there  
There is no God, Son and Holy Ghost  
Believe in yourself, that's all "hahaha")

God hear my call  
You've been through it all  
You are still alive  
True spirit of love, true spirit of life  
I want to serve and to love  
Give me the wisdom  
And the Spirit of truth  
Help me to see through it all  
You are the Spirit  
You light up my life

("Forget your inner voice  
There's no one there  
There is no God, Son and Holy Ghost  
Believe in yourself, that's all "hahaha")

God hear my call  
You've been through it all  
You are still alive  
True spirit of love, true spirit of life  
God hear my call  
You've been through it all  
You are my life  
My only Salvation

And I will bring about whatever you ask in my name,  
So that the father may be glorified in the Son  
I will do whatever you ask in my name  
If you love me, keep my commands  
And I shall ask the father and he will give you another Helper to stay with  
you forever,  
The Spirit of Truth whom the world cannot receive,  
Because it neither perceives nor understands Him.  
You know Him for He remains with you and will be within you.  
I shall not leave you as orphans; I shall come to you.  
In a little while the world will no longer see me;  
For I live and you too will live.  
In that day you will know that I am in my Father  
And you in me and I in you.

Confusion and despair  
I can't see the light  
Confusion and despair
