

I'll Make You Happy

Divinyls

I
I give
I give you
I give you love
Give you loving all the time
Give you kisses just like wine
Do her kisses taste like mine
No! no! no!

I'll make u happy just lie you mommy said
I'll make u happy just like your daddy said
I'll make u happy just lie your mommy said

If
If you
If you don't
If you don't want
If you don't want to be my man
Pass the bottle and the empty cans
I just want to hold your hand
Just me! me! me!

I'll make u happy just lie you mommy said
I'll make u happy just like your daddy said
I'll make u happy just lie your mommy said
To me
