

We've Been Planning This For Years

Division of Laura Lee

Do you have what it takes
If not, give them your hands
So they can take control
Give them a price so they can buy your soul
Don't get to low
Proudly you brag 'bout the things you done
Yeah, right, money protects your fall
Give it all up, give it all up
Give it up, give it all up
Yeah, yeah you got to give it all up
Oh oh let them take your soul
Oh oh let them take control
I guess you like what you've got
If not, pay attention to what's been told
Make up your mind before the game is sold
It's up to you
Yeah
Stay on track and you won't get lost
