

I Wasn't Looking for You

Dixie Chicks

It never crossed my mind
Who was going to be there for me to hold and touch
Like I do, oooh
It never mattered much I never thought
I'd care I wasn't looking for you

Must've been blind
There was going to be that someone waiting for me
I couldn't see You stole my heart
Nothing I could do, oooh
I wasn't looking for you

Lay down my heart, lay down yours too
It was the easiest thing I ever had to do
Spend all my life not knowing who, oooh

I wasn't looking for you
It never crossed my mind
It never mattered much
Now I need you more than ever to hold and touch
There's nothing
I won't do, oooh
Your hand in mine

I wasn't looking for you I will never be alone
Lonely nights are dead and gone

'Cause of you

It was the easiest thing I ever had to do
Spend all my life not knowing who, oooh
Lay down my heart, lay down yours too
I wasn't looking for you

I wasn't looking for you
