

Standin' by the Bedside

Dixie Chicks

I was standin' by the bedside of a sister
And kindly take this message to the other side
And I asked her if she would do me a favor
Who was just about to cross that swellin' tide

Well, if you see my savior tell him that you saw me
And when you saw me I was on my way

You may meet some boyfriends who may ask about me
You tell 'em I am a comin' home someday
I was standin' by the bedside of a sister
And I asked her if she would do me a favor
Who was just about to cross that swellin' tide
And kindly take this message to the other side
When you reach that goal that's when you'll think about me

I was standin' by the bedside of a sister
Sooner or later, sooner or later it's a debt that must be paid
Well you may have to make this journey on without me

But don't forget to tell my savior what I said
And I asked her if she would do me a favor
Who was just about to cross that swellin' tide
And kindly take this message to the other side
