You got nothing to lose, you never know
They say, don't give up if you scared, just take it slow
It's the time of your life, don't let it go, go, go
If you're trustin' your heart, you'll never know

Why are we so quick to change our plans for just a chance?
Why do we trust in the feeling we don't understand?
Ooh-ooh, ooh-ooh

Everybody knows it's all about the fallin', fallin', fallin', f
allin'
Knows exactly what to say about the fallin', fallin', fallin',
fallin'
What's it sound like when it ends when you fall out? (Oh, la-
la, oh, la-la-la)
What's it sound like when it ends when you fall out? (Oh, la-
la, fallin', oh, la-la, fallin')
(Oh, la-la, oh, la-la-
la) What's it sound like? (Fallin', fallin')
What's it sound like? (Oh, la-la, oh, la-la-la)

Goin' in with a killer, I barely know
It's a new kind of hug when you alone
When you fall from that high and hit the ground, ground, ground
Wish somebody, somebody would've told me so

Why are we so quick to change our plans for just a chance?
Why do we trust in the feeling we don't understand?
Ooh-ooh, ooh-ooh

Everybody knows it's all about the fallin', fallin', fallin', f
allin'

Fallin', fallin'

Ooh, ah-ah, ooh-ah, ah-ah, ah-ah
Ooh, ah-ah, ooh-ah, ah-ah, ah-ah
Ooh, ah-ah, ooh-ah, ah-ah, ah-ah
Ooh, ah-ah, ooh-ah, ah-ah, ah-ah
