

# FUCKBOY

Dixie D'Amelio

I'm caught up in what could've been  
Thinking 'bout what you shoulda said  
Wonder what's going through your head  
Wonder who's sleeping in your bed  
My mind knows you don't care (Don't care)  
But my heart just won't listen  
I thought you'd always be there (Be there)  
But you were gone in a minute

I'm tired of not being happy  
And you always thinkin' you have  
But the only way that you have me  
Is so fucked up

You're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
You're just another motherfuck boy  
'Cause you're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
Don't need another motherfuck boy  
Another motherfuck boy

And why am I still stuck on you (Stuck on you)  
When you're just stuck on her?  
Why'd I try to fuck with you? (Huh?)  
Now I'm just fuckin' hurt (What?)  
And I'm tired of being so damn tired  
'Cause I stayed up all night crying 'bout a piece of shit ass liar  
And I'm tired of being so damn tired  
'Cause I put in too much energy just tryna fuel this fire

Tired of not being happy  
And you always thinkin' you have  
But the only way that you have me  
Is so fucked up

You're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
You're just another motherfuck boy  
'Cause you're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
Don't need another motherfuck boy

You think that you're the shit  
But no one's into it  
Stop asking me for nudes, no, I'll never send those to you  
And get off my Instagram, who do you think I am?  
Get out of my DM's  
And take off those damn Jordan's  
'Cause you're just a fuckboy  
You're just a fuckboy  
No, ohh, woah, oh, oh-oh  
Don't need another fuckboy (Hahaha, 'cause fuck)

You're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
You're just another motherfuck boy  
'Cause you're just a fuckboy (Boy, yeah)  
You're just a fuckboy (You're just a fuckboy)  
That's not enough, boy (That's not enough, boy)  
Don't need another motherfuck boy

You're just a fuckboy  
You're just a fuckboy  
That's not enough, boy  
You're just another motherfuck boy
