

# Not Enough

Dixie D'Amelio

Beautiful attraction  
Lookin' just like passion  
But nothing's everlastin'  
Love can be erratic  
My heart is like elastic  
My life way too classic

Callin' my name, makin' me famous  
Doesn't feel real to me  
Feelin' no shame goin' through changes  
Learnin' what's real to me  
Not what I wanted (Not what I wanted)  
But I want it (But I want it)  
Just 'cause it's easy  
Don't make it easy (Oh-oh, oh)

Tearin' my fabric like these ripped-up jeans  
Yeah, it's more than I imagined from that teenage dream  
Need somethin' to feel that rush (Ooh-ooh, ooh-ooh)  
Bein' lucky's not enough (Ooh-ooh, ooh-ooh)

It's more than make-believin'  
It's more than just a season  
God I want that feelin' (Ooh, ooh)  
I don't pay for keepin' (No)  
I want it like I need it (Ooh-ah)  
I'm not good at healin' (Ooh, ooh)

Callin' my name, makin' me famous  
Doesn't feel real to me (Doesn't feel real to me)  
Feelin' no shame goin' through changes  
Learnin' what's real to me (Oh)  
Not what I wanted (Not what I wanted)  
But I want it (But I want it)  
Just 'cause it's easy  
Don't make it easy (Oh-oh, oh)

Tearin' my fabric like these ripped-up jeans (Like these ripped-up jeans)  
Yeah, it's more than I imagined from that teenage dream (Teenage dream)  
Need somethin' to feel that rush (Ooh-ooh, ooh-ooh)  
Bein' lucky's not enough (Ooh-ooh, ooh-ooh)
