Wild

Dixie D'Amelio

I've been stuck in my ways for a while
I went through this phase for a while
Want no one to know me so well that
Open up, it will show me I can bare that
I don't wanna be rebellious, I wanna care less
Don't wanna wake up wishin' I was scared less
Wanna be fearless, I wanna let somebody in
You can be the one that lets me down (Oh)
If I'm the only one that lets me down, ooh

Wild tonight, we're wild tonight, yeah
I wanna lose my mind just a little
Don't wanna live my life in the middle
Wild tonight, leave it all behind
I wanna lose my mind just a little
Don't wanna live my life in the middle

I grew up in a place that don't feel like home
I'm surrounded by faces I still don't know
Got some trust issues that I'm fightin'
I'm still workin' through, yeah, I'm tryin'
Ooh, I don't wanna judge me, I wanna love me
Don't wanna wake up feelin' like I'm lucky
I wanna feel somethin' and let somebody in
Hey

Wild tonight, we're wild tonight, yeah
I wanna lose my mind just a little
Don't wanna live my life in the middle
Wild tonight, leave it all behind
I wanna lose my mind just a little
Don't wanna live my life in the middle (Ooh-ooh)

(I wanna lose my mind, I wanna lose my mind)
I wanna lose my mind just a little
Don't wanna live my life in the middle (Ooh-ooh)
(I wanna lose my mind, I wanna lose my mind)
I wanna lose my mind just a little
Don't wanna live my life in the middle

Nah-nah-nah-nah-nah
Nah-nah-nah-nah-nah
We're wild, wild, wild
Lose my mind, in the middle
Nah-nah-nah-nah-nah
Nah-nah-nah-nah-nah
We're wild, wild, wild
Lose my mind, in the middle
