If You Love Someone

Dizmas

```
the terminal was crowded
i saw you and i shouted
then felt alone inside my bones

on our way back to the falls
i could tell that she was never
coming back here my worst fear

if you love someone let them go and if they come back to you th
eir yours
if you love something set it free if it comes back to you it's
yours

two years on this road
it felt like speaking code
did she change her mind i'll blame the time

i wanna sail across the ocean
and find her before she made the
choice to walk away
but i have to let her go

love let go
love set free

love someone let go
love something set free
```
