

Fickle

Dizzee Rascal

Dig real deep thur the depths ov my mined,
Dig real deep thur the depths ov my mined,
Dig, dig, dig real deep thru the depths ov my mined
Lord knowz what il fined when I reach (rewined)
Dig real deep thur the depths ov my mined,
Dig, dig, dig real deep thru the depths ov my mined
Coz I dig real deep thru the depths ov my mined
Lord knowz what il fined when I reach

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away around il fined away across and if I carnt fined away across il crush them all staright thru

I fined myself in a pickle is music against fickle, surrounded by big doggs that I consider ickle, as they crash the particle. . the other giants..

I might apply some knowledge and wait for a ripple..

On my shoulder is a tripple

Some love it some hate that I is hustle n publicity thugging, Squeas a dollar from a nickle, my outlook feel free 2 judge it il b damed if u budge it.

Got my name on my cheque book, sole trading, i int even old ageing, but my question is my sole fadeing? im maintaing, coz I cnt say im slaving guess im raving, but whos to say il make it unless I fake it, and if I overlook myself will it overdo my wealth will it?this pains staking I got my head aching, stressed out coz I let my money rake in.

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away around il fined away across and if I carnt fined away across il crush them all staright thru

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away il fined away around il fined away across and if I carnt fined away across i l crush (bore straight thru)

Tribulation as a skip across the constulations hight sky playa I seen no limitations, onli god creations and devil temptiotions, I see to rep the benifits ov my puplications, so show me wheres the money? spare me the congratiulations, forget the indursty for goverment and vacionations, every body wanna b ghetto but no body wanna b poor all u follow fashion dummys int eating no more.you can dirrty try to thank me u can start with a cheer but if you choose to blag il take it to the next stair, I couldnt be a fool I keep it gully to the next, rewined the ri

pple I demarnd the collects!

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away around il fined away across and if I carnt fined away across il crush them all staright thru

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away il fined away around il fined away across and if I carnt fined away across i l crush (bore straight thru)

2 all my uk roll youths

Stick on ya hustle boots, steady on, trugch alonge, opperation ghetto wong,

In the night come aboard, fined yaself a craft fined a set make it stong, perfect it before ya kno it dont respect it, remeber its your movie so direct it, never let nobody tamper with it or correct it and by any meens do what you want to protect it coz theres money to b making, its a cold world to nobodys got the re best interest at heart like you.so any obstical you come across fined away around but if you thing it carnt b found bore st aight though,

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away around il fined away across and if I carnt fined away across il crush them all staright thru

Coz I got so much to say in, so little time in such a short space I got so much to do, but if I carnt fined away il fined away around il fined away across and if I carnt fined away across i l crush (bore straight thru)

Dig real deep thu the depths ov mined lord knows what il when f ined bore staight though

Dig real deep thu the depths ov mined lord knows what il fined bore staight though

Dig real deep thur the depths ov my mined, dig real deep thur t he depths ov my mined,

Dig dig dig real deep thur the depths ov my mined

Dig dig dig real deep thur the depths ov my mined

Lord knows what il fined rewined

To the years when a teacher couldnt teach, think back to the days where I couldnt be told, now its a few years and I feel lost , trying to live the high life but at what cost?
