Yo if that girl know's where you stay thats poor  
some whore bangin on your door what for  
pregnant? what're you talkin about this for  
fifteen, she's under age thats raw  
and against law 5 years or more  
and she wants a score and half of a draw  
thats a kind of friend that you try and ignore  
that whore got you pinned down to the floor  
but its your own fault you said three magic words (i love you)  
when thats the one for the birds  
when you said that she forgot other boys  
its over you better start buyin the toys  
there was no intention of hurtin your wife  
now she knows this she's endin your life  
its a real shame you got hacked by the whores  
its a shame that kid probably aint yours

That girl some bitch ya know  
she keep callin my phone  
she dont leave me alone  
she just moan and groan  
she just keep ringin me at home  
these days i dont answer my phone

That boy some prick you kna'  
all up in my hair  
thinks that i care  
keeps followin me here  
keeps followin me there  
these days i cant go no where

Aint that your girl

Nah it aint my girl

I swear that's your girl

Course it aint my girl

She got juiced up

oh well

She got chatted up

oh well!

I swear thats your man

I aint got no man

But you was with that man

He was just ANY man

He got hotted up

oh well

He got whacked up

oh well!

or i might just take your girl and make your girl my girl  
switch your girl with michelle  
switch michelle with chantelle  
play chantelle with shennele  
lyrical clientelle but i aint a bow cat, i dont like the smell  
i'm gonna go through a shell and make a boy feel unwell

that girl from school, that girl's from college  
that girl gives brains, that girl gives knowledge  
that girl gives head, that girl gives shines  
that girl gives bj's at all times  
she looks decent, she looks fine  
but dont talk about wifey she's not mine  
she got battried, 6 in a line, believe me thats not a good sign

That girl some bitch ya know
