I don't wanna screw but nothin aint new I'll educate your whole crew when i come through And you know its true So what you gonna do? You aint got the foggiest aint got a clue Got a little fame Yea i got game Get my way with your dame just on my name All i gotta say, get out the way Dizzee Rascal's hot like summer bay And i hit MC's like croquet If a boy pet then a boy must pay You can start answer on a lay lay Please feel free you can bring it any day Anyway get wet like perry-ay Better hope theres a ambulance on the way OK if you wanna fight just say We uppercut MC's like sugar Ray

Hot like Cairo, hot like Mars
But i want houses and i want cars
So i spit verses and i spit bars
I dont care what they say man i aint play
Hot like lava hot like hell
Move to your sister move to your girl
Charmane Cheriline or Chantelle
You better hide your wife, protect her well

Killer insticnt, insticntive killer Run dear life cant get no bigger Young guns flapping their guns with no fear Females, money and guns its all here

Top shotters big cats street gats
Bent coppers aim for your knee caps
Some pay a visit to jail without bail
Some stay on top of the game without fail

Its live O (live O)
Its live O (live O)
Its live O (ah)
Look
Skank out (skank out)
Skank out (skank out)
And jump about

See-Saw margerie door Guess who sneaked in through the back door? Born with a hacksaw through a trap door Dizzee got a cheek and not much more Whats that voilence whats that war? Put him in a head lock see if hes raw I cause arms thats on the dance floor Set trend set standard set score Spin that bottle, nah dash that bottle Talk tough but you aint got no bottle Get strangled get hold get throttled Dizzee come old skool like ?? Blue bottle flying about with six holes Ice dry hockey stick brake collar bones We check girls with broken holes Big battys big breasts light skin toes

Its live O (live O)
Its live O (live O)
Its live O (ah)
Look
Skank out (skank out)
Skank out (skank out)
And jump about

Didnt wanna listen didnt wanna care Left that boy in a gutter somewhere Wanna talk Livo O wanna talk rare I make you wish you were born else where I gota wash that girl out my hair Shes old news everyones been there No were not equal no were not fair That girls innocent she gets air That MC's a boubt Tell him i said it and i said it real loud Going on rowdy going on row That boy tried me that boy failed Sorry pardon what? Could of got brought up could of got shot Gun man get gun down on the spot Whos hot whos a bad boy whos not?

Its live O (live O)
Its live O (live O)
Its live O (ah)
Look
Skank out (skank out)
Skank out (skank out)
And jump about

Dizzee Rascal you get me?
