

# Quality

Dizzee Rascal

Just close your eyes and dream with me  
You'll hear the sounds of music

I don't know about algebra but I know that I am no square (square)  
I don't talk for my health and I do not ramp or easily scare (no way)  
Who do they think their fooling when they try act like we are not there (not me)  
If your gonna do a job you better do it proper or better be prepared (yeah, yeah)

Quality, quality, quality, quality  
I am not just a commodity (no)  
If you want the job done holla me (hey)  
Quality, quality, quality, quality  
Look how they follow and honour me (listen)

Yeah, Gordon Bennet, please don't beg it  
I've been doing this since face off phones with the 10 pound credit  
Yeah I said it, and I couldn't care less whose misread it  
They wanna sheg it, copy and edit  
Pull out the suttin and watch them leg it  
Sick of this bullshit call me a medic, ah forget it  
How come everything is so generic  
Why I can't pay with the stacks and I gotta use direct debit  
How much peas will my kids inherit (hmm)  
How much peas can I get for this yard if it all goes tits up and I've gotta sell it  
I ain't gotta sell it (na)  
How much pea will I get for this headline show when I pull up tonight and sell it (woo)  
Tweet and tell it, call out my name they scream and yell it  
Yelling my bars, reach for the stars  
Give my regards to all of your spars  
I'm dishing out cards  
I'm dishing out [?]  
Yeah I'm in charge, like I'm the sarg  
Look at these lickle man givin it large  
Chuck out the letter and please give me less of the garb

Not to blow my own horn but I should inform that I've been on form since I was a spawn, before I was born  
Brains and brawn I'm sharp like a thorn  
Dusk till dawn I lay on my own lawn, yawn  
Fool I like to stay warm

I stay cool when caught in the storm  
Never outworn I just out-perform  
You've been warned  
Don't get ripped apart or get torn  
I've been touring, and I've been mourning all through the morning  
RIP to Stormin that's Shaun  
Pagans try and play me like a pawn  
Have em start crawling all of this jewellery and build a school and they'll  
still be?  
Their too normal I'm not the norm  
Their too pussy I'm not the pawn  
Why does your pussy smell like a prawn (oy)  
I've been thinking bout taking a unicorn she might see me crawling in the do  
rm  
Might get a law degree and get sworn (why)  
So I could half the fee at least partially and try trademark the best part o  
f me  
They make it hard for me it ain't hard to see

I don't know about algebra but I know that I am no square (square)  
I don't talk for my health and I do not ramp or easily scare (no way)
