Swerve and Pivot

Dizzee Rascal

Turno, you're a fool for this one

How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)
How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)

Weekender (Yeah), East Ender
Not tender (Nah), no pretender
Stick 'em in a blender (Ugh)
He's peak and stick it when I enter (Woo)
Repeat offender, big money spender
Big money lender, but make sure you return to sender
I won't forget if you don't remember (Yeah)
I'm dark and cold like November (Sheesh)
Or December, do a man dirty (Dirty), no cleanser
Leave a man poorly, influenza
Big body girl and her waist is slender (Woo)
Big titty girl, I just wanna befriend ya
That's my agenda, what's your agenda? (Hmm)
True say I'm a private member
SVR, I don't drive a Defender (No)

How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)
How can I quit when I already did it? (How?)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)

It's four to the floor and it's boomin' (Boomin')
Just vibes, I don't wanna be fumin' (Uh)
Just cool out, got the goonies loomin' (Just)
I just spit, I don't do no croonin' (No)
I don't do no coonin' (Nah)
Or colludin', one-two beat, I don't do no spoonin'
Get in that kitchen and get that food in
I'm not tryna be crude or rude
I'm just that shrewd, I'm just that dude, and I can't lose
I'm far from bougie, lookin' for a bougie bird in lewds (Oi, oi)
Introduced, "Hey, what's your name and what do you do?"
She said, "I don't date rude boys like you"
I said, "Come on now, babe, you know that's not true
When you been through more than a few," now

How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)
How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)

Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)

Ooh, oh my God
How am I gonna quit? I'm a top boy in dis ting (Ting)
All I know is win
When you have no hair on your chinny-chin-chin
That's why they have bling (Bling)
Out of fashion, now it's in (In?)
Well, outside lookin' in (Alright)
Everyone's confused and ting
Been there, done that
I'm the into their ting, they run that (Run that)
In the future, the dudes say run that
Definite merky, then they're gonna come back (Blaow)
I've travelled the world and more
Yeah, I been there before on tour (Yeah)
Before you ten years or more
What the hell'd you think we'd come down there for?

How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)
How can I quit when I already did it? (Uh)
How can I flex when I already live it? (I'm outside)
Outside tryna get them digits (Yeah)
Stick to the script, don't swerve and pivot (Uh)
