Switch and Explode

Dizzee Rascal

Aw yeah
I'm ready
Oh, I'm ready
Are you ready?

(Comin' in, comin' in)
I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold
In the dark and cold, what have you been told? (You what?)
Do you wanna get involved, oh (Oh), and lose control?
Do you wanna see me switch and explode?
(Comin' in, comin' in)

I don't bend, I don't break or fold (Fold)
I'm a young man, but I feel old (Old)
You could say that I'm an old soul (Geezer)
I never sold my soul, but I stood ten shows in my Nike Air soles (Uh)
Peng ting wanna give me blow, put my tings in my mouth and I offload
I took the Range Rover off-
road (Skrrt, skrrt), I don't care about your post code (No)
I got a yard in this post code and that post code, no humble abode (Humble a bode)
Touch road (Touch road)
Everything that I touch turn gold (Yeah)
Try test me, I get wicked and cold
(I'm comin' in, comin' in)
I don't bend, I don't fold or wither (Nah)
Wray & Nephew's in my liver (Woy)
I'm the uncle, big nigga (Woah)
Angry Black man, go figure (Rah)
Short temper, quick trigger (Trigger)
Big pimpin', old Jigga
Gold digger
I got rid of her, I'm better and bigger, don't cry me a river (Wah)

I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold
In the dark and cold, what have you been told? (You what?)
Do you wanna get involved, oh (Oh), and lose control?
Do you wanna see me switch and explode?
(Comin' in, comin' in)

I'm too sturdy (Sturdy)
Silly sods ain't worthy
Watch how I slide through so superbly
Free as bird, up and I'm early (Up and I'm early)
I talk firmly
I would prefer if you didn't act like you ain't never heard me
Follow my journey (Follow my journey)
Don't get shirty
Stop bein' so bitchy and nerdy (Fuck you)
I'm flexin', do not disturb me
I'm the best, you do not deserve me
I got enough on my plate, I don't need no lip from you, just shut up and serve me (Shut up)

I ain't talkin' 'bout Christmas turkey
Why do the opps have to do me dirty? (Hmm)
I don't bend, I don't break or buckle (Buckle)
I don't know about shuttle
Custom plates on the whip not subtle
Lyrics so soft and supple (Woo, hah)
Don't make me chuckle
Look at these pricks all triggered and ruffled
Say they want smoke, I'll be there in a couple

(Comin' in, comin' in)
I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold (Fold)
I don't bend, I don't break or fold
In the dark and cold, what have you been told? (You what?)
Do you wanna get involved, oh (Oh), and lose control?
Do you wanna see me switch and explode?
(Comin' in, comin' in)
