

# That's Not My Name

Dizzee Rascal

Four letter words just to get me along  
It's a difficulty and I'm biting on my tongue  
I keep stalling and keeping me together  
People around gotta find something to say now  
Holding back every day the same  
Don't wanna be a loner  
Listen to me, oh no  
I never say anything at all  
But with nothing to consider they forget my name

They call me blud  
They call me rudeboi  
They call me oi  
They call me mate  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me my yout'  
But I'm a fly yout'  
They use the N word  
Like it's a game  
That's not my name  
That's not my name  
That's not my name  
That's not my name

I'll miss the catch if you throw me the ball  
I'm the last kid standing up against the wall  
Keep on falling these nights they keep me boring  
Getting glammed up and sitting on a fence now  
So alone all the time at night  
I lock myself away listen to me, oh no  
Although I'm dressed up out and all  
With everything considered they forget my name

They call me blud  
They call me rudeboi  
They call me oi  
They call me mate  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me my yout'  
But I'm a fly yout'  
They use the N word  
Like it's a game  
That's not my name  
That's not my name  
That's not my name  
That's not my name

Are you calling me rudeboi?  
Are you calling me blud?

Are you calling me my yout'?

Are you calling me mate? [REPEAT]

They call me blud  
They call me rudeboi  
They call me oi  
They call me mate  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me my yout'  
But I'm a fly yout'  
They use the N word  
Like it's a game  
That's not my name  
That's not my name  
That's not my name  
That's not my name
