

You Don't Know

Dizzee Rascal

You don't know
You don't know about me
You don't know
You don't know
You don't know
You don't know about me
You don't know
You don't know about me

It's the original
Dylan the villain
It should be criminal
You're doing too much I keep it minimal
Just follow the leader yeah I'm the pinnacle
Pivotal
Is it a blessing no it's a miracle
When I step on a riddim it's never typical
I got em stepping and sweating they're getting physical
Physically fit
Don't stop you just do a little dip
Got gwop and you blew on the drip
Got hot now they're looking at you lit
Big bottles big whips
doing bits that's a big pic
Big bands on the Instagram
Everybody and their nan wants to be the man
They're like

You don't know
You don't know about me
You don't know
You don't know
You don't know
You don't know about me
You don't know
You don't know about me

You don't know
You don't know about me
You don't know
You don't know
You don't know
You don't know about me
You don't know
You don't know about me

Nah they don't know
They ain't ready
You got the drip
You're too drippy
They say they're drippy but they ain't drippy like you

Yeh I believe ya
Gimme a breather
You're an achiever
Not a penny squeezer
Top geeza

Don diva
You got the new supreme and the fila
You got a job but dress like dealer
You gotta dress to impress so they see ya
And when they pree ya you stay cool with a icy demeanour
Ice in the bezel
Next level can't settle
Got 2 left feet I can't dance with devil so I do a little bop
Yeh I lean and I rock
Big bottles big whips
Doing bits that's a big pic
Big bands on the Instagram
Everybody and their nan wants to be the man
They're like

You don't know
You don't know about me
You don't know
You don't know
You don't know
You don't know about me
You don't know
You don't know about me

You don't know
You don't know about me
You don't know
You don't know
You don't know
You don't know about me
You don't know
You don't know about me
