

## I Would If I Could but I Can't

Dizzy Mizz Lizzy

I know one day you'll turn to me and cry  
You don't feel like we need to say goodbye  
You want me to forgive and understand  
Oh, I would if I could, but I can't

I know one day you'll turn to me and say  
You don't feel like we need to runaway  
You want me to forget, you've change the plan  
Oh, I would if I could, but I can't

If you always change your ways  
Then you'll always be astray  
I can't wait on you forever  
Forever

And I'm getting closer  
I'm getting closer to clearly see  
That everything's over  
Everything's over finally  
I'm waking up sober  
I can't wait on you forever  
Forever

I know one day you'll turn to me and say  
You're no longer a million miles away  
You want me to forgive and take command  
Oh, I would if I could, but I can't

I would if I could, but I can't
