## **Rise And Fall**

## **Dizzy Mizz Lizzy**

I want it I need it I know the way there Ups and downs Turnarounds I know the feeling Somehow I Seem to find you on my mind Sunshines on Horizon I know the feeling You call me Restore me I know the feeling Somehow I Seem to find you on my mind Rise and fall To the one you call She looks down into my eyes Rise and fall To the one you call She looks down into my eyes And I can see you smile And I know we will rise and fall Tonight The fine lines Where light shines Such a good feeling I need to be near you To share that feeling Somehow I Seem to find you on my mind Rise and fall To the one you call She looks down into my eyes Rise and fall To the one you call She looks down into my eyes And I can see you smile And I know we will rise and fall Tonight
