

## Something so Familiar

Dizzy Mizz Lizzy

One way or the other  
I will try not to push it aside  
Someday I'll recover  
And I'll try to do everything right  
Give me one more advice to take  
One more advice  
One way or the other  
I will try not to give it away  
Someday I'll discover  
Everything you've been trying to say  
Give me one more advice to take  
One more advice to take  
You came  
You saw  
You closed another door  
And I came close  
To something so familiar  
You came  
You saw  
You closed another door  
And I  
Came close  
To something so familiar  
One way or the other  
I will try not to cope and commend  
Someday I'll recover  
When I know that they don't understand
