

They gave me time and I ain't waste it  
Shout out to my cultivation  
We gave the world another weed strain  
This is my appreciation  
Let's take a break, it's time to smoke one  
Let's take a break, it's time to smoke one  
We gave the world another weed strain  
Let's take a break, it's time to smoke one

One puff two puff three puff four  
Cloud high in the sky nigga, that's for sure  
I ride with the guys that supply the coast  
If you looking for that fire, I'll provide the quotes  
But you came too late now you can't get in  
Provide the fire, they providing the spins  
We got pre-rolled, wax, and THC pens  
This a dub but I had some L's that I took to the chin  
But now I got a package [?]  
It won't be long before we back on the job  
Here's your kush kola  
Look what real niggas do for the cause  
One call, we getting Crown Genetics involved  
Second call, I mean I want the world tapped in  
Third call I hit up Dem' like it's time to evolve  
Showing love to everybody that be growing my strain  
Ain't nothing changed, man we do it for y'all

They gave me time and I ain't waste it  
Shout out to my cultivation  
We gave the world another weed strain  
This is my appreciation  
Let's take a break, it's time to smoke one  
Let's take a break, it's time to smoke one  
We gave the world another weed strain  
Let's take a break, it's time to smoke one
