

Diluted

Dizzy Wright

What I fall off nigga let me respond
They value opinions from these uncle toms
Tired acting like this shit ain't diluted
I feel better when I'm on my lebron
You a mutant clueless send you memes of Andre wit the flute it'
s time to move a side
Where the fuck is the professional at
People out the culture tryna decide
How the fuck you know what people want
If we pushing ps what y'all pushing inside
Why is it one perspective that y'all funding
They don't wanna tell you what they deducting
Ain't no way it's getting worse but we litty
It's been years that I been streaming for pennies
I got put into a world I ain't know about
I had to make a switch to makem get me
They only fuck with you when you invited
When it's love they wit you when it's hate they silent
I brought some really niggas in this space
We embrace the love but we wasn't bias
Inspired flows worldwide they don't give me flowers I go out an
d buy em, hmm
Imagine taking you a route to fulfill you plan you become a ite
m
Imagine becoming the man in yo city and you wasn't tryna divide
em, hmm
It's fucking wit they real nigga image it's to positive to get
behind em, hmm
Crazy when they try to box me in I been stacking boxes if you b
uying, hmm
Crazy how to tryna get me to compete wit niggas that's not even
trying
Social media convincing people wit opinions that they the new a
ctivist
You ain't gotta have talent fake it this the perfect place to b
e inaccurate
Now it's ok to be gangsta after you get money if you start rapp
ing it
Got it I'm just catching on it use to be code now a days they l
acking it, whoa

He got a ego he power tripping
Only rhythm he know is algorithm
The blues rock n roll hip hop and soul did you forget that that
's ours nigga
You gone celebrate the colonizer that's when I can see the cowa
rd in them
Man what the fuck is the problem wit em

I ain't worried its just hard to follow
I can respect the gillie and the Wallos
The answer ain't at the bottom of the bottle
My heart immune my mental health not
Babies dying got me shell shocked
I hope America know hells hot
