

# Get Out More

Dizzy Wright

(Shake & Bake, Shake & Bake)

I can't take no chance  
These fuck niggas tryna steal these bands  
Niggas live life on the gram  
Dizzy got the whole world in his hands  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
I can't take no chance  
These fuck niggas tryna steal these bands  
Niggas live life on the gram  
Dizzy got the whole world in his hands  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)

Who really living life anymore?  
Look what's pushed, what's forced  
I can see the agenda since 1990 November  
Tripping, let me check my temper  
Grew up on [?]  
Old school with it, prolific  
Feeling like 2Pac when he heard about Brenda  
We got big ass plans to run by  
There's too many dying to the gunfire  
[?] real niggas don't die  
So I gotta roll one when the sunrise  
Life's hard, I can see it in my son eyes  
But we don't bend or break  
Fuck all that bullshit in the way  
But this my life at the end of the day  
Somebody better learn something

I can't take no chance  
These fuck niggas tryna steal these bands  
Niggas live life on the gram  
Dizzy got the whole world in his hands  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
I can't take no chance  
These fuck niggas tryna steal these bands  
Niggas live life on the gram  
Dizzy got the whole world in his hands  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)  
Y'all niggas need to get out more (Get out more)  
Y'all niggas need to get out (Get out)
