

# Ground Shake

Dizzy Wright

She don't like to wake and bake, she like mimosas  
Wait till you see it from the back, she thick like Doja  
I start my day off with a blunt and bend her over (go crazy)  
She doing moves I never seen, I can't control her

Go crazy, yeah I'm fascinated  
Go crazy, we should celebrate it  
Go crazy, yeah I'm fascinated  
Go crazy, we should celebrate it  
Go crazy, yeah I'm fascinated  
Go crazy, we should celebrate it  
Go crazy, yeah I'm fascinated  
Go crazy, we should celebrate it

That's a fact  
We knock down doors for them deals  
When I met her she was a snack  
Now she a full course meal for real  
I'm going in  
Can't wait for you to put that ass on me again  
Hope you don't mind  
I'm tryna take a trip and be your peace of mind  
Hard to find I know  
But I like easy access, she can tell  
We spontaneous  
But she like lingerie that match her nails  
We gon' win together  
'Cause loyalty is real, it ain't for sale  
I got shit to do  
Can't take my foot off the gas 'cause we might fail  
See you soon  
I'll be swinging back, pass me that starter coat  
Hell nah girl, I'm not ashamed  
And I won't regret making that water flow  
She just wanna see me win  
That's what you call a GOAT  
Date night vibes  
Turn into some freaky shit that we got on  
Hear me out
