I Hate Being Broke

Dizzy Wright

(Damn, JD)

I hate being broke so they tell me get my bands up
The streets keep calling and my bitch said "Man up"
When they laying down the law, man, it's hard to be stand up
Soon as the plan's in motion everything's gettin' ran up

Shit is getting overwhelming on the back end
I really need to find a place that I could crash in
Bringing everybody down with my bad vibes
It's a bad day, I ain't tryna be the bad friend
I smoked one, I just need a little space now
I'm okay but I ain't tryna [?]
Solo dolo is the only way to get away
He crazy educated and engaged but he hate crowds
When you want it, it ain't nothing to correct flaws
If you doing what you love I respect y'all
I just need a little time to get my mind back in order
When I'm back we gon' pick up where we left off
'Cause normally, man, I could play the therapist
But right now I gotta change the narrative
I'm tired of being on the outside looking in
If you don't move then the drought will never end
(Then the drought will never end)

I hate being broke so they tell me get my bands up
The streets keep calling and my bitch said "Man up"
When they laying down the law, man, it's hard to be stand up
Soon as the plan's in motion everything's gettin' ran up

Mind set switch for that income
I had some big plans poppin' off this month
But them bills need to be paid where I rent from
Had a little bread on me but I spent some
Nigga tried to flip a little, that ain't worth it
Honestly it kinda made the shit worse for me
When they ask what we on, tell 'em we on all ten
Fell for the lies, I promise that's not happening again
Been through hell and back
My shorty trippin', should've know, got some tough skin
Sometimes you gotta run it up alone
If I can't get it, I'ma find out what we on (Show them)
True colors when the money all gone (Damn)
I'm not giving up on me, let's revamp this (Let's revamp this)
Don't ever let 'em say you had too many chances (Not at all)
I knew I had to work from the start
'Cause I didn't wanna carry all this hate in my heart, but I...

I hate being broke so they tell me get my bands up
The streets keep calling and my bitch said "Man up"
When they laying down the law, man, it's hard to be stand up
Soon as the plan's in motion everything's gettin' ran up

Slidin' and Glidin'
(Damn, JD)
