

I Want It Now

Dizzy Wright

It's too loud
Get the fuck out of the way
It's my money and I need it now!

Shorty all of that ass, she throwing it back
And I want it now
Don't normally go in my stash but she get a pass
'Cause I want it now
He's trying give me a check but I need the cash
And I want it now
I told him that I got the gas, he said bring the pack
'Cause I want it now
Shorty all of that ass, she throwing it back
And I want it now
Don't normally go in my stash but she get a pass
'Cause I want it now
He's trying give me a check but I need the cash
And I want it now
I told him that I got the gas, he said bring the pack
'Cause I want it now

Heard you got lost in the city, pull up in places that you ain't allowed
Wake up feeling fantastic, she in my bed with her titties all out
Killing everything I touch, had to beat the pussy up and buss it down
Keep it on beat, no cap, I'm loving the way that she move to my sounds
I told her that I want it now, we running it up and running them rounds

The illest nigga she done found, smoke a whole pound to my whole strain nigg

Big smoke, cloud thick
Stay down, don't switch

And I want it right now, lil bitch

Off of the top they call me the lighthouse
Let me show you the right route
No matter the price, married this game
Fuck is they saying, they throwing that rice out
Stay protected every second, you could get it, it's part of this lifestyle
