Let's Talk About It

Dizzy Wright

Yeah, yeah, yeah, yeah, yeah

Let's talk about it, I was forced to tap into the source
Corrections on the court can only come from their reports
I need to see what to work on and what would work for me
Can't be the last to come, can't be the first to leave
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it

Style unique, let's talk about it at least
I kept it real with y'all with every single album release
What more you want from me?
Rhetorical because if I cared there would be more of you
Long as I got it when the mortgage due
Formally known but there's some things I'm still foreign to
You live a normal life until they stop ignoring you
That's how it goes and then your life's a show
I'm weighing out all my cons and pros, we got common goals

Let's talk about it, I was forced to tap into the source
Corrections on the court can only come from their reports
I need to see what to work on and what would work for me
Can't be the last to come, can't be the first to leave
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it

Everything [?] from these rhymes [?]
I tried to take that with a grain of salt then slid back
I followed my passion and this attribute to that
I know 'bout them contracts and where they limit you at, yo
This is my destiny still, I learned the hard way
You gon' need more than incredible skills, this a consecutive feel
When it's all said and done and the letter is sealed
I wonder what makes you a legend for real, word

Let's talk about it, I was forced to tap into the source
Corrections on the court can only come from their reports
I need to see what to work on and what would work for me
Can't be the last to come, can't be the first to leave
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
Let's talk about it, yo, let's talk-talk-talk about it
