

Motivated Stoner

Dizzy Wright

I'm a motivated stoner
Made my way up off the corner
Now we worldwide taking over
I'm a motivated stoner
Up early every morning
Getting to the money like I want it
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner

I'm a motivated nigga I deliver
And I don't complain so don't be crying me no river
When she ain't like me I knew one day I would get her
I told her Imma get this money get familiar
You tryna gain my respect
You tryna take away my stress
You tryna smoke with the best
And I know you ain't from around here
But you gotta come correct
And I see you been making an effort
But I gotta watch my steps
And yeah I pray for mine
Overtime got places I need to be
Niggas wanna be first in line
But half of y'all don't wanna work for anything
I'm tryna clean up my act
Prepared it fully in tact
It's funny cos this the only answer when they ask

I'm a motivated stoner
Made my way up off the corner
Now we worldwide taking over
I'm a motivated stoner
Up early every morning
Getting to the money like I want it
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner

I'm a motivated man on a mission all I had was vision
In the kitchen cooking up with pans and dishes
Stay away from bad intentions
Build my story go from rags to riches
See I was gram pinching
Now my names written across the whole pound
Might be a while before that genetic profile gets to your town
See I'm poetic I got more styles
Out in Vegas in the red room is where it go down
My girl want me back home but there's racks on my bat phone

Don't get too attached when I'm in that zone
I was down bad like playing out like a sad song
So I gotta get it while I can cos it don't last long

I'm a motivated stoner
Made my way up off the corner
Now we worldwide taking over
I'm a motivated stoner
Up early every morning
Getting to the money like I want it
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner
Where that bitch where that
Where that bitch where that
I'm a motivated stoner
