

# My Mind Keep Telling Me

Dizzy Wright

Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside  
My mind keep telling me  
"Nigga don't stop, keep going"  
Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside  
My mind keep telling me  
"Nigga don't stop, keep going"

Played it safe, thugged out but we well behaved  
Dame Dolla how we trail the blaze  
I never switched teams, they just made some trades  
I'm not a teacher but I'm close like a student aid  
Nowadays I'm getting used to praise  
If shorty playing games she know two can play  
The righteous one, yo, bite my tongue for who?  
Still moving, got addicted to winning and I don't like to lose  
They quick to recycle dudes  
Pop in, pop a wheelie, shock the crowd like a biker move  
What type is you?  
The hype might not scare niggas but the rifle do  
[?] you  
The shit we live ain't real life to you  
Only real niggas got real niggas that'll die for you  
So every year it's a price renewed  
Hear me out

Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside  
My mind keep telling me  
"Nigga don't stop, keep going"  
Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside  
My mind keep telling me  
"Nigga don't stop, keep going"

Don't mistake for me for them (Nobody)  
Lookout for my niggas, they options was slim  
Everyone ain't your friend  
Until them close relationships start to come to an end  
You won't understand  
They expect you to learn all of that in advanced  
They willing to fight over land  
In my mind we gotta go extremely hard for the fam  
The room is nice enough to [?]  
I'm serving [?] supplements  
Come fuck with this  
Not a lot of niggas was built to give it their all, fall  
And get up and dust off their kicks

Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside

My mind keep telling me  
"Nigga don't stop, keep going"  
Catch my drift, my vibe  
Back to the money, let's slide  
Soon as I got back outside  
My mind keep telling me  
"Nigga don't stop, keep going"  
"Nigga don't stop, keep going"
