

## Pay Me Or Pay Me No Mind

Dizzy Wright

(Pay me or pay me no mind)  
I ain't no trick but I got some dough  
We could flip after she told me...  
(Pay me or pay me no mind)  
Gorilla pimpin' ain't my style  
But I got some money to move around after they...  
(Pay me or pay me no mind)  
Now we roll dank and then we take trips to the bank  
When I walk in, they gotta...  
(Pay me or pay me no mind)  
Don't waste my time, pay me or pay me no mind

Gotta watch my back 'cause if I clap back, that's that third de  
gree (That part)  
Come rub my back and boost my ego, yeah that shit work for me (  
That part)  
I stay lowkey 'cause sometimes I gotta move that spooky pack  
Dropped so many albums with these songs, I swear I'm losing tra  
ck  
She want me to invest in her ass because her booty flat (God da  
mn)  
She keep telling me that shit gon' work but there ain't no trut  
h to that (God damn)  
She pretty and mean, but when I got knowledge you know I gotta  
intervene (Right)  
Throwing out all the natural shit but humbly still respecting h  
er dreams  
Coming in with the least expected, can't say ain't no better di  
rection  
All about that money man, the money plan is what I requested  
Likeable asshole, I got what I asked for  
Success is when you got multiple cashflows  
So you know what that mean
