

# Poppin Out

Dizzy Wright

In the kitchen and it's Taysty

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out

Drink but always ready  
This how I'm poppin' out  
Dizzy OG got my eyes too heavy  
But this how I'm poppin' out  
I do what I want and she think that it's sexy  
But this how I'm poppin' out  
I'm breaking it down every time that she let me, yeah  
This how I'm poppin' out

Woah, tell 'em I'm not the one, I don't give a damn  
Every time you with me, you in Dizzy Land  
Gotta show the whole world how we really jam  
(Better hold my motherfuckin' drink)  
Styling out in my comfortable, cozy vibes  
Still protecting my fam with the.45  
Yeah I'm rocking my slides but the Rolly fly  
'Bout to head to the bank

I don't time to slow down man, I can't  
Grinding when nobody see it  
Believe me when I tell these niggas I move like a tank  
I had to stop complaining and upgrade to a pro  
Now look at the pictures I paint  
Make it look good when I'm making it flip  
Distorted thinking ought to learn to forget  
Walked out of my store and I'm feeling like this

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out

I'm the friend that's always with it  
Yeah I'm loved but it's always critics  
Cut the bull, my skin, no gimmicks  
I ain't really worried being photogenic  
Feeling like must-see TV  
Matter fact feeling like Kobe on the 3 peat  
A lot of y'all niggas trying way too hard  
I should roast y'all ass like DC

Hold up, young fly, flashy, Vegas mentality  
Hitting the whoa  
2020 vision nigga, no dress code  
No days off, might hit 'em with the pose  
Me and my niggas getting rich, that's gold  
You know the flower from the concrete that rose  
Little ass nigga got to see the whole globe  
One thing I could tell you that I learned don't fold

I did it the hard way, independent  
Chya played with y'all life like it's arcade  
If I pull up and stunt on this nigga  
Infront of his bitch, I bet you they part ways  
Tell 'em that I feel heartless like Kanye West  
When he was making that 808 heartbreak  
Car paid, rent paid, hit the moonwalk like MJ

But this how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out

This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)  
This how I'm poppin' out  
(This how I'm poppin' out)
