Dizzy Wright

Slidin' and Grindin'

Still tryna learn how to read the room

The homies only off weed and mushrooms
Celebrating like the nineteenth of June
Still tryna learn how to read the room
We in the playoffs going up, get the brooms
The homies only off weed and mushrooms

Still tryna learn how to read the room
We in the playoffs going up, get the brooms
The homies only off weed and mushrooms

But my podna been struggling and living on the edge
Quit letting that shit go over your head
That you got niggas that love you, we'll paint the whole city all red
