In a battle with myself, dog
I feel like an angel but the devil keep coming
I made a little money but it don't mean nothing
I need something more 'cause I'm not satisfied
In a battle with myself, dog
My adrenaline running, I don't know how to feel no more
Kept be real with the world but ain't real no more
I don't think I'll ever be satisfied

Silly me thinking that they was gon' ride with me just 'cause I
got these abilities
Taking trips to the strip, I was making it flip 'cause I couldn
't afford my utilities (Talk to 'em)
Stuck in these real nigga tendencies almost ended me up in that
vicinity (What you learned?)
Jealous just a form of slavery so I learned all of the laws and
the penalties (Real nigga)
Y'all know how we mobbing, I'm working until my head throbbing,
this headache is killing me (Let's slide)
Looking for nobody's sympathy, that's why I don't got too many
enemies (That's real)
But it is what it is, I gotta take care of my kids, I guess thi
s as fair as it gets
But I'm scared of this shit
I like where I'm at but I know I can do better than this
