

Tapped Out

Dizzy Wright

Yea I been stressed out
(Yea I been stressed out)
And I've been kicked out
(And I been kicked out)
Sometimes I trip out
(Sometimes I trip out)
But I never tapped out
(But I never tapped out)
I never tapped out
(No no no no)
I never tapped out
(No no no no)
I never tapped out
(I never tapped out)

Yea I been stressed out
(Yea I been stressed out)
And I've been kicked out
(And I been kicked out)
Sometimes I trip out
(Sometimes I trip out)
But I never tapped out
(But I never tapped out)
I never tapped out
(No no no no)
I never tapped out
(No no no no)
I never tapped out
(I never tapped out)
I never tapped out

One day they gone give me my credit
And I'm accept it wit real nigga etiquette
I been liking the form that I'm in normally
It get hard for the times that we present in
Losing value because of attention spans
So I had to cut out the middle man
Guarantee I turn up when I tour again
But this time I'm repping my origins
Sierra Leonean (Sierra Leone) Ghanaian (Ghana)
Liberian (Liberia) Nigerian (Nigeria)
It's no secret we been lost we barley found out are DNA
I was spooked seeing all these west Africa roots in my DNA
I feel bless to be this way but I feel lost more every day
Then I oddly I feel found and seen
My Identity don't feel so extreme
Beyond and above low self esteem
The radio just sex machine
They keep us away from everything
But I need the R E S P E C T
And I never tapped out dawg cause ain't in me
For that health and the life they gone charge you that monthly fee
I been in it too long better watch how you coming at me
Better watch yo mouth

Yea I been stressed out
(Yea I been stressed out)

And I've been kicked out
(And I been kicked out)
Sometimes I trip out
(Sometimes I trip out)
But I never tapped out
(But I never tapped out)
I never tapped out
(No no no no)
I never tapped out
(No no no no)
I never tapped out
(I never tapped out)

Yea I been stressed out
(Yea I been stressed out)
And I've been kicked out
(And I been kicked out)
Sometimes I trip out
(Sometimes I trip out)
But I never tapped out
(But I never tapped out)
I never tapped out
(No no no no)
I never tapped out
(No no no no)
I never tapped out
(I never tapped out)
I never tapped out

Flipping and flipping that's branding boy
My resume used to say unemployed
All vegas had was Roy or Floyd
But I stuck to the grind I'm running thangs you should come and enjoy
The negative energy we become
Is the Negative energy we avoid
I be seeing shit clearly
But clearly I need to do better wit blocking out all the noise
Damn

Yea I been stressed out
(Yea I been stressed out)
And I've been kicked out
(And I been kicked out)
Sometimes I trip out
(Sometimes I trip out)
But I never tapped out
(But I never tapped out)
I never tapped out
(No no no no)
I never tapped out
(No no no no)
I never tapped out
(I never tapped out)
