

Thuggin' It Out

Dizzy Wright

26's all black, yeah
26's, 26's all black
(Yeah, yeah, yeah, yeah, yeah)

Cadillac rolling it out
She took the emotional route
I ain't tripping, I'm thuggin' it out
If I want it, I'm hunting it down
You can't stop me 'cause I got a gift
Can't blame me for fucking around
Probably why she went off of the script
Don't blame me ho trying to say that he don't love you no more all because o
f your hip
Pussy probably was losing its grip
Gotta watch out for hoes, should've listened to Nip
I feel like they plotting on me
Oh, this bitch got some lottery dreams
Guess I'm looking like an ATM machine
But this feel like a internet scheme
Oh, I been there too
Yeah, I'm sick of complaining and I'm tryna come up for real
Been taking advantage of me, that's a no-no
Ho, that's one in a mil'
Doing me in ain't a part of the deal
Judging off of the marketing skills
When the blind lead the blind, everybody gon' fail
Believe me and take this L
Tell 'em I ain't got nothing to give
I know what y'all did and I know what it is
Don't get too hyped, check might not be locked in
Y'all tryna finesse these wins
I'm tryna be heard, this bitch got some nerve
Tryna hit me with the swerve
Got so mad, put my phone on Do Not Disturb
You live and you learn, yeah

Pull up slick, on the roll up
26's all black
Fuck that bitch then I roll up
Talking shit and all that
Yeah, (yeah), I feel like- oooh
You know I keep it chill, (if we ride, cool)
She just want a nigga like me (but I don't know what to do)
(Thug it out)
[?] (but I was in the coupe)

26's all black
Talking that shit got me floatin' now
And she just want a nigga like me, (now, thug it out)

Kicking me when I was down, don't know what they found but fuck it, let's (t
hug it out)
Watch who you keeping around, life is a trial, who really gon' (thug it out)
They want me to throw in the towel but I'm on the prowl and now I'ma (thug i
t out)
Can't lie with me in shade, never know who gon' try to take what you was wil
ling to make

People get greedy for sure
Fuck this ho, I ain't got shit, I ain't fucking with [?]
This year I'm raising my raise
'Cause obviously I need more money, I can't catch a break
I'm dealing with a different pawn
I try to be generous, look how the bitch respond
I feel like I read that wrong, a list can't be that long, damn

Pull up slick, on the roll up
26's all black
Fuck that bitch then I roll up
Talking shit and all that
Yeah, (yeah), I feel like- oooh
You know I keep it chill, (if we ride, cool)
She just want a nigga like me (but I don't know what to do)
(Thug it out)
