

## Zoovie

Dizzy Wright

She's switching on me  
At my table sitting on me sipping slowly  
Rolling back to back go and hit this weed you won't be disappointed  
Go and hit this weed Hit this weed you won't be disappointed  
She's switching on me at my table sitting on me woah

Wow last night was a zoovie I was turned into a before we even got to it  
Walked in with my friends looking for the ATM  
Big booty but the waist slim I want all of them!  
Turn vibes to the sunrise baby girl I'm on one (yeah I'm on one)  
We got the loud pack heard the bathroom man got raps I want one  
Tell the bartender we need more one's, slapping that ass like I beat the drum  
Bottles is coming we getting' drunk, don't judge me we tearing the city up!  
Told the bitch don't be choosie all my nigga's get stoovie  
Tables served as VIP is poppin' while I'm watching all the booty moving  
It's the experience, I'm loving the way your body is hearing me  
Fuck being innocent, you can say I was feeling it cause

She's switching on me  
At my table sitting on me sipping slowly  
Rolling back to back go and hit this weed you won't be disappointed  
Go and hit this weed Hit this weed you won't be disappointed

Club round two shit man I finna spend it all  
Me and moski finna get involved she climb the pole the booty hit the wall  
I ain't never seen that before, should've seen how she hit the floor  
Girl you must do gymnastics, how you hit strips you so nasty  
Love the shit fo sho, chilling with my bro's, everybody got them dollars on em'  
Table poppin' everybody drinking you exclusive when you got the gwalla on ya  
In three days I made thirty grand so tonight I'm about to pay somebody rent  
You flexing with your flexibility, got me feeling like this make a whole lot of sense  
Baby shake that ass, just got paid in cash everything I'm doing going up  
Experience the live of the zoovie, imma give you a roll if you rollin'g up  
We got VIP turn we done throw it up, tell the DJ hit this when you hit the stage  
on me and we came to play, make me want to hit the pussy different ways

She's switching on me  
At my table sitting on me, sitting on me Roll it Hit this weed you wo

n't be disappointed  
At my table sitting on me woah
