DJ Aligator

In the beginning there was a word  
The word has generated a rhythm  
The rhythm has given a life to movement  
The bass has inhaled force in movement  
And a name to this force - DJ aligator..

Hands of a hand! (hands up?)

In the year 2004  
Two mighty generals  
Clashed on the battlefield of dance  
From the east came MC Vspishkin  
And from the west - DJ aligator  
Only the dancefloor can judge them  
So people, put your hands up!!  
When I say:

Hands of a hand!

Hands of a hand!

Give give! Give give!

Give give!  
Above a hand lift!

Give give!

DJ aligator and MC вспышкин  
Will make you счастливыми!

It is our house!  
Your energy is necessary to us!  
Well shake задницей!

Give give!  
You've got me in the zone  
I know you home alone  
Hit me with your silicone..

Give give!  
I'm just a silly man  
I got my titty hands  
Ladies need to understand

Give give!  
And now is do or die  
You can suck me dry  
How you want it cutie pie

Give give!  
Thank you for the freeky show  
I can see that you could go  
But now it time for me to go..

Hands of a hand! x2

Give give! x2

Give give!  
Above a hand lift!

Give give!  
Put the hands up in the sky

Give give! x3
