

Do You Realise

DJ Aligator

Do you realise?
We could reach the stars
Do you realise?
You forever in my heart
Do you realise?
Lonely days are over
Do you realise?
You could find yourself in me
(DJ Aligator)
Dearest Love
The fantasy that once was you

Seems so far away
And the waking dream that is my life
Seems to imitate the fine art
All we need to do is
Thank heaven for little mercys
Incredibly and lovingly yours
P.S. I do realise
