It's a beautiful life, no matter who you are Ohhooo

It's a beautiful life, it's a sweet life
It's my life, it's your life
Tonight's the night that we gonna set it right
Live in the daylight and dance through the night
When sun is out and the moon is asleep
It don't matter who you are the world's at your feet
Have some fun and get loose with me
Let it in your heart and set yourself free

Fiesta forever Forever fiesta La notte has only begun
