

Good Vibes (Good Feeling)

DJ Antoine

Happy people out in the street
See them dancing to their own beat
Taste the sunrise and it's so sweet
Cool relaxing like a summer breeze

Smiling faces from all around
Everybody enjoying the sound
Beautiful people is what I found
Everybody enjoying the sound

Oh, oh, oh
What a good, good, good, good feeling
Oh, oh, oh
What a good, good, good, good feeling

I wanna live it everyday
Like it's my very last time
I got this rhythm in my heart
Never felt so alive

Oh, oh, oh
What a good, good, good, good feeling
Good vibes

Oh, oh, oh
What a good, good, good, good feeling
Oh, oh, oh
What a good, good, good, good feeling

You can feel it out in the air
Good vibrations are everywhere
And children playing without a care
Cause they got love that we all must share

Like candy rain falling down on me
And this is right where I wanna be
It's as far as the eye can see
It feels so nice and it don't cost a thing

Oh, oh, oh
What a good, good, good, good feeling
Oh, oh, oh
What a good, good, good, good feeling

I wanna live it everyday
Like it's my very last time
I got this rhythm in my heart
Never felt so alive

Oh, oh, oh
What a good, good, good, good feeling
Good vibes

Oh, oh, oh
What a good, good, good, good feeling
Oh, oh, oh
What a good, good, good, good feeling

Good vibes
