

I'm A Junkie

DJ Antoine

Lost in twentyfour Dexter gave me more
I'm a desperate house wife
in treatment I'm a gossip girl.
Sex and the city when I'm look so pretty
like a charlies angel in the lipstick jungle.

I need to pimp my ride I'm a scrap to ride in the moonlight
you're my doctor house and I'm ready for emergency room.
Before I'm six feet under wanna meet my Knight Rider
gonna be breakin' battle and bet to the bones
viva Las Vegas!

I'm a junkie
I'm crazy for you
a TV junkie
got a room interview
I'm a junkie
I never feel déjà vu
a TV junkie
gimme somethin' new
