

In my Dreams

DJ Antoine

Wanna light all the candles light by light
Wanna light up the sky
Wanna send out a message clear and bright
Want a flower to fall in love tonight
Wanna breath in my live
Wanna try to relieve my dreams comes true

Yeah! Yeah! Yeah!
I don't need to say goodbye
In my dreams I'll never die
In my dreams
Yeah! Yeah! Yeah!
Yeah! Yeah! Yeah!
In my dreams
Yeah! Yeah! Yeah!
Yeah! Yeah! Yeah!
